

Downtown Melbourne Curbside Meal Pick-Up Service Now Available

[Melbourne Main Street](#) has worked with the City of Melbourne to develop designated parking spots for Downtown Melbourne restaurants that are offering curbside pick-up service for takeout meals. The City is allowing this as a temporary measure during the Coronavirus/COVID-19 pandemic as a way to assist restaurants that do not have their own property and parking facilities to stage carry-out services.

On-street parking spots will be near participating restaurants and will include signage and cones. Parking spots will be on a first come, first served basis.

The following is a list of locations where Downtown Melbourne restaurants are using on-street parking areas for short term curbside pickup of takeout orders:

- Hell'n Blazes: 1002 E. New Haven Avenue
