

Parks and Recreation Activities and Rentals Canceled Through the end of April

Based on guidance from the Governor and the Florida Department of Health to postpone or cancel mass gatherings in effort to limit the spread of the Coronavirus/COVID-19 throughout the state, the City of Melbourne has decided to cancel or postpone classes, activities, programs, tennis, athletics, and special events at its Parks and Recreation facilities through the end of April.

Facility rentals, including community centers, civic centers, auditorium, parks, pavilions and ballfields, will also be canceled through the end of April. All rental fees will be refunded.

The golf courses and city parks currently remain open.
